Avoid late payments and eliminate costly errors with eCalendar, online, calendar-based payment and obligation management for Quorum Land. eCalendar supports electronic notifications, signatures, and workflow related to the payment, dated obligations, and expiration process for land agreements. Integrating eCalendar with Quorum Land eliminates manual work and reduces errors by making it possible to pull real-time information from the land management system and view obligations on a web map.

Greater Efficiency by Integrating and Automating Digital Business Processes

Land and lease analysts rely on advanced functionality of eCalendar to:

- ◆ Streamline the recommendation process for payments, expirations, and other obligations.
- ◆ Eliminate manual work and reduce errors by moving hardcopy calendars online.
- ◆ Meet the specific needs of the business by configuring workflow, notifications, access, and dollar thresholds.

The screenshot shows the eCalendar web application interface. At the top, there are navigation links like 'Calendar Report My Profile Settings Security Help Logout' and a 'PAYMENT' dropdown menu. Below this are several filter menus for 'Division', 'Field', 'Approval Status', 'Awaiting Approval By', 'Via Pay', 'Status', 'Admin Group', and 'Payment Type'. There are also dropdowns for 'Asset' (ALL ASSETS), 'Prospect' (ALL PROSPECTS), 'State' (Alabama, Alaska, Arizona, Arkansas), and 'County' (ALL COUNTIES). A 'Query' button and a 'Clear Filters' button are present. The main area is a calendar for January 2016, showing dates from Sunday to Saturday. Each date has a 'Payments' count and a dollar amount. For example, on January 1st, there is 1 payment for \$200.00. On January 2nd, there are 2 payments for \$1,200.00. On January 3rd, there are 2 payments for \$1,200.00.
